Dear Parents

In my previous message in the Clifton Calling I gave a three week 'snapshot' of the wonderfully diverse opportunities afforded to our boys. This week I watched our Grades 4, 5 and 6 boys and teachers leave for three days of adventure on their Grade excursions. The Grade 6 exchange to Lambrook House in the UK flies out on Friday and the Zimbabwe cricket tour headed north on Wednesday.

On a personal note, I must admit that the FP Production, "Journey through the Jungle" was a favourite this term. Every Foundation Phase lad found themselves on stage singing, dancing, speaking and acting with a fantastic script and an awesome set. The enthusiasm, energy and talent on show for those two nights was breath-taking. Congratulations to the FP Staff and parents involved in the production. The absolute "cherry on the cake" was the customary, brilliant Clifton support – an audience of seven hundred and fifty took the time to support their son, grandson, nephew, cousin, or friend. Thank you!

I wish you all a wonderful break doing all of your favourite things.
