Instrument Hire

Please note that the boys must have an instrument on which to practise (except in the case of drums, where they may practise on a school set). We have a limited number of instruments for hire (these exclude piano, keyboard and guitar) at a cost of R355 per term. We operate on a first-come, first-served basis but boys already learning an instrument will be given preference. If you wish to hire an instrument from us, please indicate this below:

Yes, I wish to hire an instrument

No, I do not wish to hire an instrument

Please note that whilst our hiring fees are substantially lower than those of the music shops, they do not include insurance of the instrument. We do, however, cover the costs of standard maintenance and repairs.

Fees

Approximately eight half-hour lessons are given per term (unless double lessons are requested), amounting to a total of R1 216.00 per term. The fees are payable directly to the tutor on the first lesson of each term. Parents wanting additional lessons should liaise directly with their son's teacher.

Regulations

You will be invoiced if a pupil misses a lesson but not if the teacher is away. If the teacher is notified before the lesson time on the day that the pupil will be absent (owing to illness, school outings, sports matches, examinations or the like) the lesson will be made up.

Please bear in mind that the music teachers are peripatetic and are not involved in regular school activities. They will therefore not automatically know when there will be a change in your son's routine.

A notice period of one calendar month is required in writing to terminate lessons or the fees for four lessons will be charged in lieu of notice. A letter should be written to the music teacher concerned, who will send a copy to the Music Department.

Lesson Times

Music lessons take place throughout the day between 07h00 and 17h00. Very careful consideration is given to each boy and his needs when planning the timetable and every effort is made to accommodate all boys.
